*"I have found the one whom
my soul loves"*

about me

Hi my name is Brittany and I am a portrait and wedding photographer that shoots in both digital and film mediums. I love soft natural light and I long to capture real authentic moments. I want to capture your story in a way that represents you.

I live in the Pacific Northwest in the Okanagan valley with my husband DeBoe and puppy, Yuko. I am very open to travel and would love to chat about destination weddings!

It is a tremendous honour to be able to have such a role one of the most important days of your life. I consider it a great joy to be entrusted with such a task. If you think I would be a good fit to capture your story let's chat more!

Much love,

-Brittany Tross
