hello

Hi my name is Brittany and I am a portrait and wedding photographer that shoots in both digital and film mediums. I love soft natural light and I long to capture real authentic moments. I want to capture your story in a way that represents you.

I live in the Pacific Northwest in the Okanagan valley with my husband DeBoe and puppy, Yuko.

It is an honour to be able to be a part of these moments in your life and have the opportunity to capture them in a way to preserve these moments in years to come. I consider it a great joy to be entrusted with such a task. If you think I would be a good fit to capture your story, let's chat more!

Much love,

Brittany Truss
